Complaint No. 25-66

---

ORDER OF DISMISSAL

---

IN THE MATTER OF: SHANNON BIRD

---

This matter comes before the Colorado Independent Ethics Commission (the “Commission”) on Complainant’s Unopposed Motion to Withdraw Complaint (“Complainant’s Motion”) and Respondent’s Motion for Reconsideration of Non-Frivolous Determination, or in the Alternative, for Dismissal (“Respondent’s Motion”). The Commission will treat Complainant’s Motion as a voluntary Motion to Dismiss.

The parties appeared for a hearing before the Commission on December 16, 2025. The parties agreed that the material facts demonstrate that Respondent did not commit the violations alleged in Complaint 25-66.

WHEREFORE, Complainant’s Motion is GRANTED, and Respondent’s Motion is DENIED AS MOOT. Complaint 25-66 against Respondent is DISMISSED.
